Volunteer Opportunities

The best part about the Northern Plains Botanic Garden Society is that anyone can dig in and help make it grow. If you'd like to help, please check any of the following.

_____ **Programs/Events**

Organize informative and fun programs

_____ **Development**

Work on fundraising, the capital campaign & grants

_____ **Public Relations**

Prepare and/or staff information booths, public presentations, newsletters and more

_____ **Membership**

Encourage others to join NPBGS; recruit and coordinate volunteers

_____ **Office Help**

Help with mailings and correspondence

_____ **Construction/Maintenance**

Help with building and maintenance of structures, displays, garden signs and

paths, raised garden beds and more

_____ **Greenhouse**

Propagate and nurture plants for display and demonstration

_____ **Gardening**

Help in the gardens on site and off-site at the Sanford Neuroscience Clinic atrium
